Fall Foliage Day Trip

Thursday October 10, 2013

Our Day INCLUDES:

* **Guided Tour and Visit to the Cathedral of the Pines** - A place of beauty and inspiration, the Cathedral is located in the rolling hills of southwestern New Hampshire (Rindge, NH) and offers breathtaking vistas of Mount Monadnock. It is an enduring memorial to patriotic service and sacrifice where each of us can personally experience the presence of the Divine - each in her own way. Along with the natural and serene beauty of the Cathedral grounds, visitors will find many unique stone shrines, altars and gardens.

* **Luncheon at JP Stephens** - Built over 200 years ago, JP Stephens was originally a sawmill producing items such as butter molds and clothes pins. It housed a grist mill and a forge before becoming a restaurant in 1952. Lunching on Fine Food in a Special Setting -- What could be better?

* **A Visit to Smith's Country Cheese** - A New England tradition producing outstanding cheeses of all kinds, Smith's is located in a picturesque spot in the hills of Winchendon, MA. We'll enjoy a short informational tour of the cheese-making process along with a cheese tasting. There is a retail store and gift shop on the premises.

* **A Visit to Red Apple Farm in Phillipston, MA - This is a farm stand and store full of country goodness and charm.** The Red Apple Farm features fresh baked goods, farm fresh fruits and vegetables and locally made products all in a unique, charming atmosphere.
